About ISTA

College of Engineering Guindy, standing tall and proud since 1974, is one of the leading and pre-eminent engineering institutions of the country which is a rendezvous for the crème de la crème young minds. Department of Information science and Technology is the force behind the latest technical innovations and is the dream destination for many aspiring students. I++ is the flagship intra college symposium organised by the industrious ISTA (Information Science and Technology Association) which is eagerly awaited and looked forward to by the entire university. It attracts thousands of students across all years from over 20 departments since I++ is the perfect blend of brain-wracking technical events and fun-filled non technical events.

Title Sponsor - ₹ 25,000

1. The support provided by the Title sponsor will be appreciably displayed for, I++ will be preceded by the sponsor where ever and whenever mentioned.
2. The title sponsor will get an exclusive opportunity to interact and address with the brightest minds of the country.
3. The banner of I++ will host the Title sponsor's name and logo which will be placed in the most noticeable and crowd-pulling zones in the campus.

Associate Sponsor - ₹15,000

1. The Associate Sponsor will preside over all events that are under the spotlight.
2. The name and logo will embellish all the official i++ products such as banners, flex and invitations.
